

BLOOMING WEEK 2025

Powered by Nature

DANZIGER

PLANTING CATALOG

A scenic view of a waterfall in Caño Cristales, Colombia. The waterfall is surrounded by vibrant pink flowers, likely the 'Piedra de Pájaros' (Bird Stone) or 'Piedra de Lluvia' (Rain Stone). The water is cascading over dark, wet rocks, creating a misty spray at the base. The surrounding landscape is lush with green vegetation and more pink flowers. In the foreground, a large, vibrant pink flower is in sharp focus, and another cluster of pink and white flowers is visible in the upper right corner. The overall scene is a beautiful blend of natural beauty and floral artistry.
